

CUSTOM HANDWRITING
PRINTABLE TEMPLATE

BEST PRACTICES

- 1. Write your message on plain white paper. For legibility, ideally use a **black felt-tip pen** like a Sharpie.
- 2. Scan or take a photo of your handwriting with **even lighting** and **angle**.
- 3. **Crop the image tightly around design**. Failure to do so may result in a poor embroidery result.
- 4. Upload cropped image to our website. We’re so excited to see what you create!

WARNING: Not following the tips above may result in a less-than-ideal embroidery result. Additionally, please expect some variance as this is a rendering of your handwriting.
